You have two options: Cancel | Publish

You must Publish each stage before moving onto the next.

Cancel – deletes your entry. You must start over. To change the picture, simply upload another one.

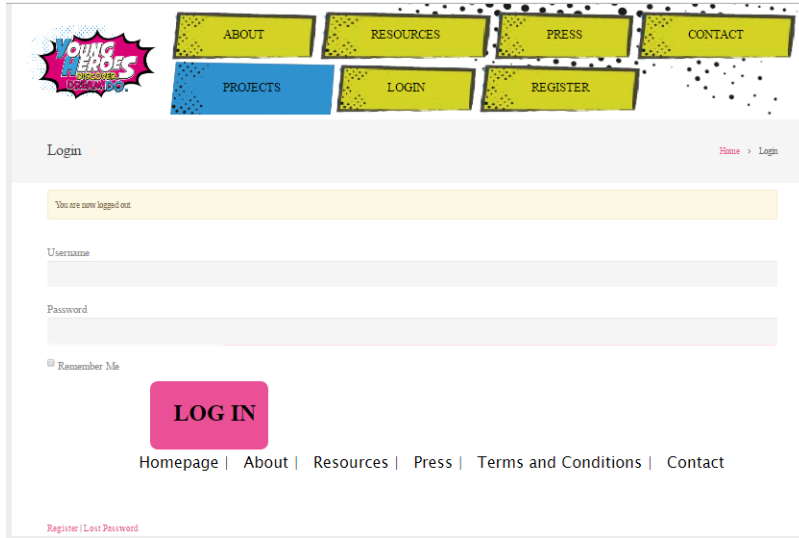

Publish – publishes your entry. You will not be able to make further changes.

Note: The Save option has been removed. You can only Cancel or Publish.

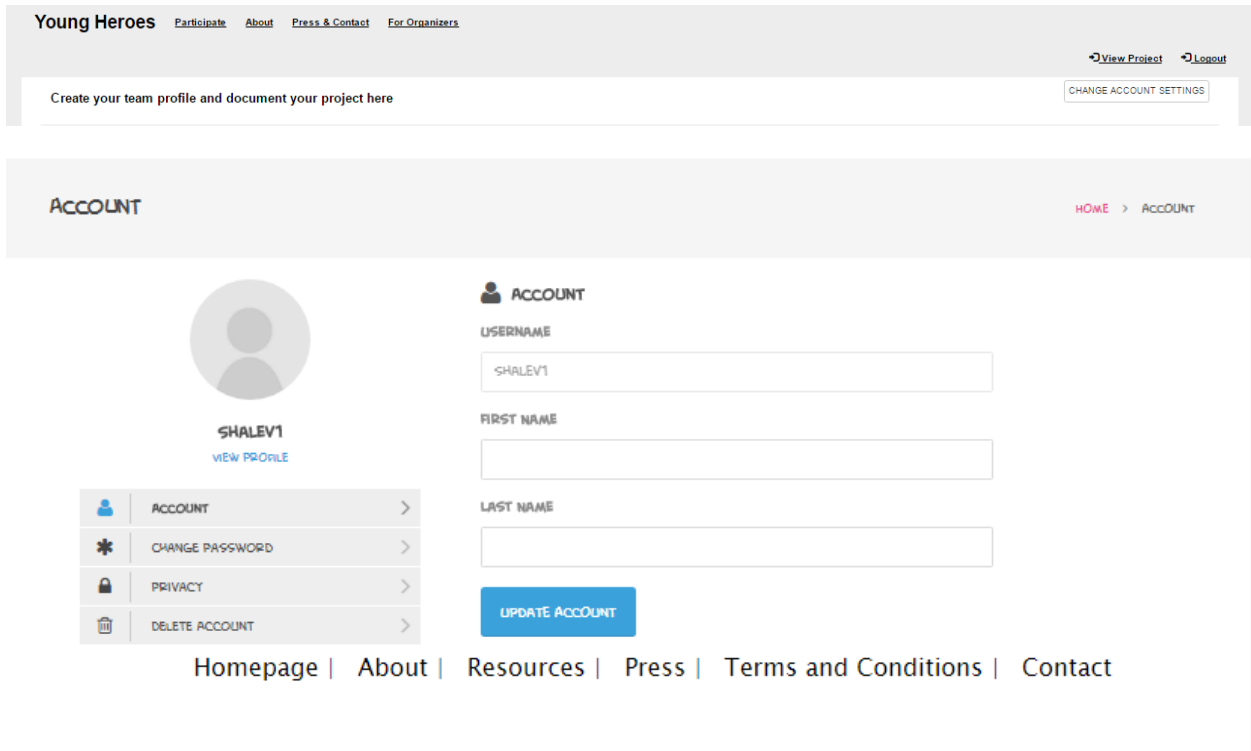

Note: All entries have to be approved by Young Heroes Admin before they go live on the site.

You can view your project once it is approved on the My Projects tab (while you are logged in). You can see your project online on the Projects page.

After you logout, you will see this screen.
