POVERTY

Young Heroes Activity 3 TT/TC/TE/TS – Memory Game

Educational Goal: Review of the vocabulary words in this Lesson.

Preparation: Print, laminate and cut out pages 2-4. Glue onto darker-coloured paper so that the cards are not see-through.

Mode:

- The game may be played by individual students, pairs or two teams.
- Place all the cards in the middle facing down. It's easier to play, if the cards are arranged in a square or rectangle.
- The first player uncovers one card and says the word or definition. He then turns over another card and does the same thing.
- If the cards match each other, the student keeps the pair and takes another turn. If not, then he turns the cards over to their original spot and it is the next player's turn.

Winner: The player/team with the highest amount of pairs when all the cards are taken.

Activity 5

TT/TC/TE/TS – Tell a Story

Educational Goal: To use verbs, nouns and vocabulary to create stories.

Preparation: Print pages 2-4 on A4, laminate and create dice. Every student needs paper and a pencil.

Mode:

- All the students sit in a circle with paper and pencils.
- Each dice has a verb, noun and adjective. The first student rolls all three dice. Then, he writes down the three words on his piece of paper.
- Each student takes his turn to roll the dice and writes their three words as well. The words can be changed when necessary (i.e. verbs into different tenses, singular to plural, adjectives to adverbs, etc.).
- For younger students, give them five minutes to write a few lines. Encourage them to be creative, funny, outrageous, etc.
- For older students, give them 5-10 minutes to write a short story (about 50 words). Also encourage them to be creative, funny, outrageous, etc.
- When everyone has finished, each student reads their story out loud, sharing with each other.
