

Baby's Best Start

Student Age

3 months to 2 years

Vocabulary Learned

550 words

Number of Lessons

40 lessons

Lesson Length

45 minutes

A joint course for parents and babies integrating songs, games, and physical activities designed to promote stronger bonds, in English.

In (*country name*), audio tracks are downloaded online.

Babies Best Start teaches your baby English as a mother-tongue through 24 original songs with different rhythms and styles from around the world.

This 7 in 1 course promotes parent/child bonding. Babies learn: English, social development, pre-reading skills, music and rhythm, brain development, baby signs and physical development. Parents also learn practical early child education facts to enhance their parenting skills.
