

Baby's Best Start

Student Age

3 months to 2 years

Number of Lessons

40 lessons
(80 lessons if taught twice weekly)

Vocabulary Learned

550 words

Lesson Length

45 minutes

An English course for parents and babies, integrating songs, games, and physical activities designed to promote stronger bonds.

- Baby's Best Start teaches your baby English as a mother tongue through 24 original songs featuring a variety of rhythms and styles from around the world.
- 7-in-1 course promotes parent/child bonding. Babies benefit from English, social development, pre-reading skills, music and rhythm, brain development, baby signs and physical development. Parents also learn practical early childhood education facts to enhance their parenting skills.
