School holidays are the perfect time for children to focus on playfully learning English. The Jump with Joey Holiday Course gives students, new and existing, an opportunity to retain and improve their English. Children naturally absorb English through playing games, singing songs, making crafts, cooking, and doing experiments in an English-speaking environment. The Holiday Jump with Joey Course's intensive structure will give children an enjoyable head start in English.

In Holiday Jump with Joey, Paul and Millie will take your child on numerous fun-filled adventures in Storyville. Watch their English vocabulary collection grow while they learn new words and songs during the holiday break.
