Course Content

The importance of a healthy diet and avoiding judging people by external appearance. Loads of new nature vocabulary and interesting facts.

Play On in English is a Holiday Course that teaches spoken English, gives students, new and existing, an opportunity to retain and improve their English. Through repeated hearing, positive reinforcement, and lively interaction, children learn over 1000 words, 18 great songs, advanced sentence structures and lots of encyclopedic knowledge.

Your child will enjoy craft activities, cooking sessions, and fun experiments. The course includes original tales, as well as traditional stories with an exciting twist.

* A workbook for reading and writing practise is an optional addition to the course for students who wish to improve their reading and writing skills.
