

Jump with Joey

Student Age

6 to 9 years

Number of Lessons

40 lessons
(80 lessons if taught twice weekly)

Vocabulary Learned

900 words

Lesson Length

45-60 minutes

The English language comes alive, as children follow the animated adventures of Joey and friends with learning materials that bring 2D characters to life with 3D animation and sound.

- Kids love learning English with Joey, Kangi and Paul! Packed with videos, songs, stories and entertaining characters that come alive, students are taught intonation and proper pronunciation through augmented reality and a downloadable app.
- This exciting technology is perfectly suited to teaching English, keeping the students interested by giving them additional opportunities to hear correctly spoken English to improve their language skills.
