This lively course helps children easily and naturally develop spoken English, familiarizing them with the rhythm and intonation of conversational English.

- Filled with humour and excitement, this course follows Fun with Flupe. Once again, children meet Granny Fix, loveable, bouncy Flupe from the Book of Rhymes and join Paul, a curious 5-year-old boy who helps fix things that have gone wrong in imaginary Storyville.
- Through these engaging stories and rhymes, 25 original songs and 12 more lively animated episodes, children reinforce speaking and pre-reading skills. These young learners are having so much fun; they don't even realize they are learning!
