

More Nat and Friends

Student Age

5 to 7 years

Number of Lessons

40 lessons

(80 lessons if taught twice weekly)

Vocabulary Learned

700 words

Lesson Length

45-60 minutes

The fun and adventures continue with traditional tales with a modern twist. Songs and animated episodes make learning English exciting!

This course continues to expand a child's spoken English skills and help children become familiar with language structure through dialogue. Students learn to speak English as naturally as they learn their mother tongue—through stories, songs, interaction and games.
