Children will be happy and occupied, making constructive use of the holiday period.

Children have such a wonderful time with Polly Holiday; they hardly notice how much they're learning while speaking English with ease.

Join Nat and Polly in their adventures while they travel around the world. Let the stars guide your child through learning new words, grammar, and sing-along with catchy songs. Your child will have lots of fun playing games, cooking, doing experiments, and making crafts.

* Polly Holiday is offered during pre-school and primary school holidays throughout the year.
