45 minutes

Toddlers effortlessly learn English in this entertaining course filled with songs, rhymes and cognitive development. This programme makes learning fun!

- Sunny the Cat and her friends playfully introduce English language through 35 spirited rhymes and 29 original songs and dialogue.
- Children acquire comprehensive knowledge, maths and social skills through fun activities and games suited to their developmental levels. Movement and music make learning language pleasurable and play a key part in developing young children's sensory and motor skills.
